"I am always impressed by the consummate professionalism of the PAT team. When you call, someone answers. When you email, you get a prompt and professional reply. Most importantly, they are a STUDENT-CENTERED travel company. Our students feel like "rock stars" when traveling with PAT."

"I highly recommend Perform America-TX for your organization's travel plans. Jeff Laird and the company did an exceptional job of talking and walking me through the trip planning and the trip itself. Every aspect of this trip was planned and went well and I am very grateful to the company for providing my best trip to date. You won't go wrong with this company taking care of your travel needs."

"Our account representative, Lisa Laird, was incredibly helpful and knowledgeable in the planning process of our spring trip. It was awesome to have her at the airport to help with check-in. PAT host Ruth Lim was super helpful everyday of the trip! She was always thinking ahead and making sure everyone was aware of the schedule. In addition, her knowledge and tips in every park was awesome!"
