Dear Directors,

The Davenport High School Diamonds & Dazzlers are so excited to host the Ascension San Antonio Comal Challenge on Saturday, February 24, 2024. This will be our second year hosting this awesome competition with Ascension Dance. We offer state of the art facilities with private dressing areas, a great concessions menu, plenty of space for teams to eat, great practice rooms, and different vendors with incredible items for sale. Below you will find links for all of the contest information you will need to be prepared for the day! Thanks again for joining us, we can't wait to serve you as your host. If you have any questions please don't hesitate to email me at davenportdancedirector@gmail.com or reach me by phone/text at 210-667-8421.

PERFORMANCE AREAS:

- All team routines will be in the Main Competition gym with entrances & exits on the judges back right. To keep things easy, teams will enter and exit out of the same doors.

- Solos, officers and ensembles are scheduled for the Aux Gym located next to the Main Competition gym. The Aux gym has its own set of doors with dancer entrance & exit located on the judges back right as well. See maps [here](#).

PRACTICE AREAS:

- We have 2 main practice areas for all teams to use. The team routine Main gym practice area is located in the dance room near the eating space, the ensemble/solo Aux gym practice area is located on our stage near the dance room.
- The team practice area will be monitored and run on schedule. The aux practice area will not be monitored but We ask that you use the practice space according to the schedule and allow team that are up next to practice first.
- One complaint we got last year was there was not enough space for teams to rehearse. Our school is small but I hear you! I have opened up larger fine arts classrooms that will be open for anyone to utilize if the hallway or other areas are not enough. See maps [here](#).

DRESSING ROOMS:

- Please fill out the Dressing Room Agreement form at your earliest convenience so we can prepare for dressing areas and ensure that your team has adequate space.

MOST IMPORTANTLY, we will have a relaxing, spacious hospitality room for the directors that is centrally located just past the team entrance & in between performance gyms and dressing rooms.

- If any props damage the gym floor, the school using the props will be responsible for damages.
