- Located on Main Street adjacent to Commons Area.

PERFORMANCE DETAILS & MAPS

All large props will be received from parking lot behind the gyms (access off Grant Road by softball fields). Once you get to the back of the school, please pull up to Door 41, far right side of the building to unload. We will also have lots of signs and parents ready to guide and assist! Props will then be brought inside our athletic hallway following the guidance of our Prop Pops. Follow school map and signage. Please note that all doorways into the performance areas are double doors that are standard 6ft 9in. tall with center bar removed

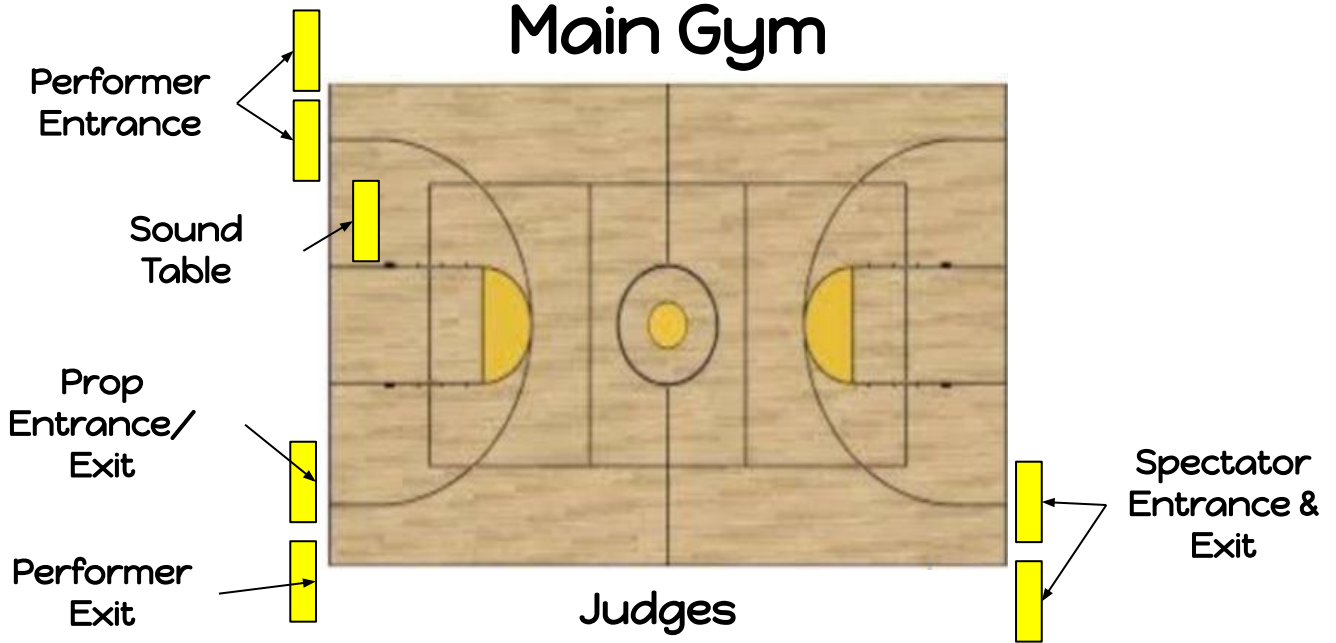

- Space is limited, so props need to remain on the bus/trailer until minimum one hour before the dance. After performing, please plan to remove props from the athletic hallway as soon as you can.
- Props must not damage the floor. All props must be properly covered and protected. No tap shoes will be allowed on the gym floor at any time.
- Please communicate with Ascension if additional time is needed for set-up and take down of your props.
